

## Pinch-hitting at the Cheeky Monkey Sideshow!

I'll be stepping in last minute with a few acts for the Cheeky Monkey Sideshow Earthquake Benefit! The people of Haiti have suffered a devastating tragedy. Cheeky Monkey Sideshow invites you to join us for a BENEFIT SHOW to raise money to aid the victims of the earthquake.

This is an opportunity to help those in desperate need, and have a wonderful night of fun and sideshow freakery with Damien Blade, Miss Joule, Mab Just Mab, and Swami YoMahmi. You want special guests? We've got special guests! This month, we are thrilled that spectacular burlesque goddess, L'IL DUTCH is joining us again. We love this lady!

A portion of the door and all moneys raised will be donated to the Red Cross International Response Fund.

Witness fantastic feats of physical transcendence--Will it be sword swallowing, mind reading, the cruel bed of nails, fire, human oddities, broken glass, bondage? The only way to find out is to show up!

Amazing acts of stupidity and danger!

Cheeky Monkey Sideshow is a breath-taking yet beautiful cavalcade of the bizarre, the shocking, the grotesque, and the strange. Every show is different, every act unique.

"Top Notch!" James Taylor, Shocked and Amazed Magazine, and Palace Dime Museum Curator.

Cheeky Monkey Sideshow--YOU'LL BE AMAZED. YOU'LL BE AMUSED. YOU'LL BE JUST A LITTLE GROSSED OUT.
